What can we do for you?

Service

Right from your initial enquiry and quote through to your stay in Japan and return trip home we guarantee to offer the highest level of service. We have hosts in Hakuba resort and have all skied or boarded the resorts we are selling. You will get personal non biased information allowing you to get exactly what you want out of your holiday.

Eco-Friendly Tourism

We are very aware we depend heavily on snow and therefore global warming is no friend of ours. Offsetting carbon emissions for flights is an option when booking with us which we highly recommend. We do what we can to leave as small of an eco-footprint as possible and are continually looking for new ways we can improve in this area.

Inclusions

- In resort tour hosts to book day tours, ski hire, lessons or optional extras
